

Sample Email Asking for Donations

Dear [Name]:

Hi! I'm participating in our annual Read-a-thon, a school-wide event at Rosa Parks Elementary and our biggest fundraiser of the year. I'm wondering if you can help. Between March 14th and March 25th, I will be reading as much as I can and keeping track of my reading minutes. This is where you come in. I'm looking for sponsors who can either pledge a fixed amount, or an amount per-minute of my reading. You can donate online at www.RosaParksElementary.org/donate or you can send me cash or a check by March 29th. You can even help me reach my reading goal by reading with me! If you can help, can you let me know so that I can count you in my tally?

Thanks!
